

## Stabling

Bring your horses and ride our 25 miles of beautiful trails along Harrods Creek. Bluegrass Country Estate is also a great place to visit while traveling to horse shows or attending local events. Our upscale barn has 8 beautiful comfy stalls and a wash bay. You can also turn your horse out in the pasture so they can kick up their hooves and stretch those tired legs after being in the trailer.

Please note that for those lodging their horse(s), Negative Coggins & a current health certificate(s) must be faxed at the time of reservation. We know you are as interested as we are to ensure safety of these special family members.
